

2021 London Aire Luxury Motor Coach

A Look at Majesty

The 2021 London Aire helps you take in everything around you while surrounding you with luxurious features and innovations. Starting with the Comfort Drive™ steering system, tire-pressure monitoring, and electronic stability control, you'll feel like you're gliding down the road. OnGuard™ collision mitigation technology, Mobileye lane tracking, and adaptive cruise control all add additional safety. With six available floor plans, including one entirely new for 2021, you'll feel comfortably nested wherever you are.

Picture Perfect 2021 London Aire

The 2021 London Aire brings luxury to the outdoors as well. A full-paint Masterpiece™ Finish and two Girard® Nova side awnings add extra comfort from the golden hour to well beyond. An optional outdoor entertainment center with LED TV and soundbar offers plenty more to see outside as well. And it's all powered by a 12.5 kW Cummins Onan® diesel generator. The large double pane windows make it easy to take in your surroundings—whether you're bird-watching from the comfort of the coach or just enjoying the view.

Ravenna full-paint Masterpiece™ finish

At Home in the Field

The cabin of the London Aire offers the height of stylishness and the maximum in comfort. A chaise lounge and sofa with pull-out sleeper—or optional pair of recliners with reading lights—make the perfect place to relax and watch the power retractable Samsung® 4K LED TV. Paired with the Sony® Blu-ray player and soundbar, entertainment comes easy. And to make sure you're comfortable in any climate, the London Aire offers amenities like a heated porcelain tile floor.

Everything to Get You There

Comfort comes in the drive as well, with Ultraleather® 6-way power captain's chairs and a passenger seat work station. Dual color monitors that feature a standard Rand McNally navigation system and display views all around from the 360-degree camera system make sure you know what's around you. Multiple USB charging stations are included from the cockpit to the cabin to keep your devices ready to go, and an in-coach Wi-Fi solution comes standard to keep you connected. In the cabin, there's more plush seating surrounding the optional chaise lounge and Euro booth dinette.

RESERVE

Good Taste

The kitchen of the London Aire serves up both a functional cooking area and a load of storage space. The large window allows plenty of natural light, plus a view of the treetops outside. An under-mounted stainless steel sink sits under super-polished countertops, surrounded by a tile backsplash and high-gloss Bermuda Glazed Maple hardwood cabinetry with raised panel, soft-close doors. A modern appliance suite includes a refrigerator and microwave—with a dishwasher as an available option.

Beautiful Sleep

The master suite of the luxurious London Aire greets you with a king-size pillow top mattress—upgradeable to a Sleep Number® adjustable mattress—with a quilted bedspread. Before you nod off, catch up on shows with the Samsung® LED TV and Blu-ray player. In the wardrobe, a generous dresser with self-closing drawers sits next to a large cedar panel closet. Nearby, you'll find a stacked washer and dryer.

A Getaway Made for You

A very roomy glass-door shower features in the master suite of the London Aire—including a water conservation system and built-in bench. A medicine cabinet with lighted mirrors is mounted above a custom sink area, mounted beneath super-polished countertops. The mid-ship half-bath—for both you and guests—offers many of the same stylish appointments, including a tile backsplash.

Good-natured Hosting

Outside the London Aire, you'll find baggage space with power door locks, as well as keyless entry to keep your space sealed up when you're out exploring. When you're back and ready to enjoy the more immediate outdoors, you can keep plenty of beverages and snacks cool in the Dometic® pull-out freezer for extra enjoyment in addition to the optional outdoor entertainment center. And you can take your relaxation to an entirely new level with the optional patio hammock package.

ROCK-SOLID PROTECTION

All models include a one-year/unlimited mileage limited warranty and a five-year, non-transferable structural warranty that covers your coach's superstructure in the event it fails to perform.
